Education

KSKW College, Nashik

12th HSC Science

2022

Guru Gobind Singh College of Engineering and Research Centre, Nashik

B.E. in Computer Engineering

Expected Graduation: 2026

Experience

Netleap IT Training & Solutions – Data Science Intern

Jan 2025 – Feb 2025

Finished an internship in data science with a focus on data analysis and predictive modeling at Netleap IT Training and Solutions. obtained hands-on experience with Python and key data science libraries.

Projects

Energy Consumption Forecasting App

- A **Streamlit web app** was created to predict household energy consumption. Time-series forecasting methods were used and interactive data visualization was designed.

Portfolio Website

- Utilized HTML, CSS, and JavaScript to create a personal portfolio website.
- Professional skills were demonstrated by hosting projects and integrating a responsive user interface.

Avalanche Pune Hackathon (2025) – BlockchainAI Assistant

- Created a blockchain assistant driven by AI that allows natural language communication with cryptocurrency operations.
- Blockchain APIs and conversational AI were combined for automation, trading, and monitoring.

CallGPT – AI Voice Calling Assistant (In Progress)

- Creating a calling assistant with AI that can manage customer service interactions.
- Using LLMs for natural language responses and integrating **Vapi (Voice API)** for real-time voice communication.

Skills

- **Programming:** Python, C++, Java
- **Data Science:** NumPy, Pandas, Matplotlib, Prophet, ML (basics)
- **Web Development:** HTML, CSS, JavaScript, React (basic)
- **Database:** SQL, MySQL, PHP
